We will not be able to give you a site map in advance. Space placement is not guaranteed. Many factors determine the placement of vendors. No music can be played that can be heard outside of your set up.**

3. **Safety.** You are solely responsible for complying with all safety, health, and fire code requirements. Please make sure all of your products are at your space by two hours before the gates open. The music concludes at 10:00 p.m. each night. Because of the configuration of vendors at the festival, once you are situated on Thursday, you may not move your vehicle until Sunday evening after the crowd has dispersed.
